CONSTRUCTION TRAINING CENTER

SPRING 2019 INDUSTRIAL ELECTRICAL

Training for Life!

GET TO KNOW MORE ABOUT OUR TRAINING FACILITY..

The ABC New Orleans/Bayou Chapter Craft Training Program is accredited by the National Center for Construction Education and Research. The curriculum that we use, Contren Learning Series, was developed by subject matter experts from the industry to train skilled workers. The ABC New Orleans/Bayou Chapter Training Center's primary goal is to provide the construction industry with the most qualified craftsmen today and for years to come.

Education and training will always be a win-win situation for both the employer and the employee. With nationally accredited curricula developed for the construction industry, the ABC New Orleans/Bayou Chapter is training hundreds of men and women in industry related specialties to meet and exceed the most exacting standards in the country.

INDUSTRIAL ELECTRICAL: 2-YEAR PROGRAM

ABC New Orleans/Bayou Chapter is now offering a 2-year Industrial Electrical Program. This program is designed for people who are currently working in the industry with some knowledge of the Electrical Industry.

At the end of this course, a student will be given the opportunity to take the NCCER Industrial Electrical Assessment to receive their Journeyman Certification. No other certification is offered through the 2-year Industrial Electrical program.

Accredited Training Sponsor

CAMPUS INFO

Campus is open for training 4 nights per week. Classes generally run 2 nights per week for each trainee and are held on either Monday/Wednesday or Tuesday/Thursday from 6-9pm.
