

2022 MEMBERSHIP APPLICATION

We hereby apply for membership in Associated Builders and Contractors of New Orleans/ Bayou. We declare our annual business volume for last year was in the # _____ dues category and enclose MasterCard/VISA/American Express/Discover # _____ exp. date: _____ CSV Code: _____ or check for \$ _____ to cover the total cost of our annual dues. Monthly credits will be applied to next year's membership renewal on a prorated basis. This credit has no cash value and can only be applied toward 2022 membership renewal for the company appearing on this document. Please refer to dues schedule below. \$45 is for National ABC's Construction Executive publication.

Note: ABC dues are not deductible as a charitable contribution for federal income tax purposes, but may be partially deductible as a business expense. ABC estimates that for 2022, 14.2 % of dues are not deductible because this portion of dues is related to lobbying activities on behalf of its members. Please consult your tax advisor for further details.

2022 Annual Investment

Dues Category is determined by total sales for contractors in our 12 parish area**. Total volume includes subcontract work, material and labor figured on your most recently-completed fiscal year.

Industry Partners (Categories 26-27) members are industry partners such as plants, facilities, or real estate/property developers

Contractor (Categories 4 - 25) members are active in the construction field; prime and subcontractors in all types of construction. Dues are based on your preceding year's volume in our 12 parish area**.

Supplier (Categories 2a and 2b) members supply materials to contractors, shops or job sites, but provide no on-site labor.

Associate (Categories 1) members provide services to the construction industry but no materials or labor (i.e. attorneys, architects, insurance companies, etc.)
